Response Text		
2	Intro by David was superb. Mass confusion during first part of breakout session. Ended well however.	Feb 22, 2011 10:41 PM
3	He was very disorganized and actually displayed poor marketing technique for his session.	Feb 28, 2011 5:10 PM
4	<p>The marketing presentation breakout was not set up very well. My group in particular was so dysfunctional as a result of how it started that I got frustrated trying to get people to focus on the planned objective (even though I was not the team lead).</p> <p>The key problem was people rejecting the premise of the exercise being the startup of a new club. I understood the objective of the breakout, but most of the people in my group felt they wanted to focus just on what mattered to a large club.</p> <p>Hence the chaos. Better setup would have avoided this.</p>	Feb 28, 2011 5:11 PM
5	got some great ideas from him..	Feb 28, 2011 10:54 PM
6	David was an exceptional speaker but breakout was not sufficeintly organized	Mar 1, 2011 7:54 AM

Response Text		
1	My recommendation would be - I like the breakouts, but once we breakout, don't put us in smaller groups. I think if there is a topic - people can raise their hands and the moderator can control the length of talk. LCC 2010 set the structure in place very well I thought.	Feb 22, 2011 4:33 PM
2	I never attended the Desert, but the other two were fine. Was some confusion throughout the conference with people trying to interpret the colors into the three geographical areas.	Feb 22, 2011 10:41 PM
3	Beach not so good. The rest...excellent.	Feb 28, 2011 5:10 PM
4	Minor queuing issues with who went to each room, but a good idea overall.	Feb 28, 2011 5:11 PM
5	The set up was a bit confusing. However the size of the groups was conducive	Feb 28, 2011 5:24 PM
6	Confusing. Too much time on trying to explain the dots.	Feb 28, 2011 5:38 PM
7	Good time to get really relevant information from other clubs across the country. Comfortable setting to share and ask questions.	Feb 28, 2011 6:07 PM
8	A little confusing.....	Feb 28, 2011 7:13 PM
9	I enjoyed the flow of the conference. I really like changing rooms and breaking put into smaller groups	Feb 28, 2011 7:39 PM
10	The mountain room had an amazing view - sometimes the rooms got too loud and seemed too small - but overall very good	Feb 28, 2011 9:02 PM
11	If you're referring to the system, it was confusing. The color coded dots are great for advance planning. Trying a tie a name to a color that is tied to a room number is confusing. It would be best to write the session number above the dots and the room number on the dots or 1-3200 work, too. More effort, less confusion.	Mar 1, 2011 5:44 AM
12	Beach was way too loud, would have been better off staying in the big room.	Mar 1, 2011 7:54 AM
13	Not nearly enough time to exchange ideas. Too much process and not enough ideas.	Mar 1, 2011 9:23 AM
14	Seemed a little disorganized at times, but it turned out okay.	Mar 1, 2011 10:02 AM
15	I was lucky and went to the mountains	Mar 1, 2011 10:37 AM
16	Very Fun!	Mar 1, 2011 11:37 AM
17	With joint conferences being so large, I understand the difficulty in setting up breakout sessions. But having separate tables in each session, you really only got to hear the comments from the 8 or so people at your specific table rather than a broader perspective.	Mar 1, 2011 12:19 PM
18	There could have been a more efficient way to direct members to the rooms.	Mar 1, 2011 1:25 PM

19	Maybe it was just me and I know the concept was trying to introduce some fun but I found the nomenclature to be a bit confusing, but I easily confused as I get older!	Mar 1, 2011 7:10 PM
20	The rooms were fine; the discussions were loud and at times hard to hear or concentrate;	Mar 2, 2011 8:44 AM
21	Hard to have small group discussion in that tight of an area	Mar 2, 2011 4:09 PM
22	More flexibility about the breakout sessions we want to attend.	Mar 2, 2011 6:45 PM
23	Good idea, but confusing with the color coded dots at first.	Mar 3, 2011 6:33 AM
24	The concept was great. The program would have benefited from having one additional group and the staff running some of the sessions could have used some additional planning time in determining how each session would be carried out. (General confusion in instructions ,etc.)	Mar 3, 2011 7:12 AM
25	Breakouts were very beneficial and helpful.	Mar 4, 2011 12:28 PM
26	Too many people in room so too noisy.	Mar 4, 2011 2:09 PM
27	Great idea - smaller tables would have made it easier to hear the others at the table. The Beach did get a little crowded on the second day.	Mar 7, 2011 7:56 AM
28	the Beach was pretty small for the number of people we had in the room, making it very noisy.	Mar 7, 2011 1:36 PM
29	It got a bit confusing. Was yellow for sand on the beach or sand on the desert?	Mar 7, 2011 4:37 PM
30	My only complaint about the breakout sessions is that the president-elect and exec are not in the same session. I realize this gives them each a voice in a breakout session but I use this time at the Conference as a time for the president-elect and I to work together as a team. I will have to say that my president-elect was not able to attend because of the weather BUT he had been here it would have been more beneficial to our club to have us together.	Mar 10, 2011 8:34 AM
31	Confusing!	Mar 10, 2011 10:49 AM
32	I would have liked to have been in the same room as my Club's PE - I hear the great ideas every year, but learn more when I see which ideas light up the PE! Also, gives me insight into how I can best help them have the greatest year of their life, what is going to matter when their year is over, etc, etc.	Mar 14, 2011 10:23 PM

13	Statistical information is always helpful.	Mar 3, 2011 7:15 AM
14	I think that the data is valuable but can be a burden on the host to collect. It woudl be interesting to find out the cost of an outside vendor to do the collection and and analysis year after year. Our club would pay an exrtra \$100 or so for that.	Mar 3, 2011 1:30 PM
15	It's always difficult to make every club fit into one data survey.....but we do the best we can to provide the information. thanks.	Mar 4, 2011 7:13 AM

18	I use the statistics from the Conference to motivate and inform our board and classification and membership committee. I think the execs need a training sessioin on how to complete the forms about statistics. 2	My dots kept falling off. This may be the fact that I may be "dot repellent", but coding on the paper inside the badge holder might have been better.	Feb 28, 2011 5:14 PM

4	Badge great, dots confusing. I appreciated the fact that you separated President Elects from Executive Directors.	Feb 28, 2011 5:40 PM
5	I was impressed with the amount of effort and ingenuity put into the planning for the conference	Feb 28, 2011 5:51 PM

7	Dots were a little confusing	Feb 28, 2011 7:15 PM
8	I liked the use of the name tags. It was nice to know what breakouts that my president elect and I were going to be in for planning purposes	Feb 28, 2011 7:41 PM
9	well, I got it, but some seemed to struggle..... room names easier?	Feb 28, 2011 10:56 PM
10	Dots were excellent to sort us to various venues. Please see comments about the room names.	Mar 1, 2011 5:47 AM
11	the effort to brand the rooms in an interesting way probably wasn't worth the confusion, it was a great conference without the gimmick.	Mar 1, 2011 7:56 AM
12	PEs and EDs should go together.	Mar 1, 2011 9:26 AM
13	Would prefer that the name of the Rotary Clubs were larger so we could more easily see where people were from.	Mar 1, 2011 9:52 AM

17	fine	Mar 2, 2011 8:45 AM
18	Just a bit confusing -Would have liked to have EDs and PE from same club stay together	Mar 2, 2011 4:11 PM
19	My ED and I attended all sessions together even if we were scheduled for different rooms. Being together in the sessions I felt was valuable.	Mar 2, 2011 5:02 PM
20	Distinguish between EDs, PEs and guests. It helps in the conversations to initially know the role of the person.	Mar 2, 2011 6:47 PM
21	The names could have been in a bigger font and on both sides of the nametag	Mar 2, 2011 9:54 PM
22	Name badge was fine. The verbal description of how the color dots related to the breakout sessions was totally lost on the majority of attendees.	Mar 3, 2011 7:15 AM
23	No need for conference logo. More space for first name and club.	Mar 3, 2011 1:30 PM
24	wasn't explained well at the start	Mar 3, 2011 9:14 PM
25	Larger first name and larger CLUB.....but I loved the new lanyards which brought the namebadge from the waist to chest.....nicer to be able to look someone in the eye as you search for their name/club.	Mar 4, 2011 7:13 AM
26	First names and City need to be largest elements and visible from 5 ft away- compare to eye chart in doctors office!	Mar 7, 2011 8:03 AM
27	I was fine with it but I think others had problems with the dots	Mar 7, 2011 1:38 PM
28	Again, a little confusing with colors.	Mar 7, 2011 4:38 PM
29	mine was not available at check in and than my full name instead of the name I am called was on it- confusing but I know these things happen with large groups; dots worked well	Mar 10, 2011 10:53 AM

Not a big deal but I was kind of surprised that, giving the close proximity of the airport, that there could not be an more convenient time. No problem in the big picture.	Mar 1, 2011 5:50 AM

1	You knocked them dead!!!! Thanks and congrats!!!!	Feb 22, 2011 10:57 PM
2	With minor exception, I could not visualize a better LCC. San Diego set the bar very high for future conferences. Outstanding job!	Feb 28, 2011 5:14 PM
3	A well run conference. I feel that as a leader of a large club, the LCC has more value then any Rotary sanctioned event. As such, I appreciate that the conference was heavily focused on content and less so on being a chamber of commerce tour of San Diego.  The right balance was struck between showing of your beautiful city and delivering knowledge and networking that made the conference a good investment of time and money.	Feb 28, 2011 5:19 PM
4	Great Job!	Feb 28, 2011 5:28 PM
5	you did great, pages of notes on action items to present to our club	Feb 28, 2011 5:34 PM
6	It was a fantastice conference. My only negative comment was the lack of free time inbetween the final meeting and the start time of the evevning events.	Feb 28, 2011 5:45 PM
7	I think Bruce and his staff deserve a great pat on the back for doing an outstanding job in organizing and conducting the LCC.	Feb 28, 2011 6:00 PM
8	There was a good breakdown of conference and fun activities. Maybe a bit more "free time" to bond with other ED - really liked the breakout groups - I learned alot.	Feb 28, 2011 6:14 PM
9	It was lovely...Kudos to the San Diego Rotarians!	Feb 28, 2011 7:20 PM

12	this was the best conference of ANY kind that I have attended - it was first class, done beautifully, we came home so excited and energized. You did a beautiful job	Feb 28, 2011 9:08 PM
13	OK, I know it's too hard to put on every year, but.....	Feb 28, 2011 11:00 PM
14	Thank you San Diego for hosting this conference. The amount of work and expanse was extraordinary and will greatly contribute to the future health of all large clubs. It's too bad you will never know how much your efforts will influence Rotary projects across the country. Your sacrifice will live on for a long time!!!	Mar 1, 2011 4:58 AM
15	Thanks Bruce and Team. Great job and very well done. This was my 4th and probably last LCC and it was well worth attending. Thank you.	Mar 1, 2011 6:00 AM

26	Great overall conference - High marks on the content!	Mar 2, 2011 4:12 PM
27	I think that the conference was excellent from start to end. Your hospitality was great. The programs and presenters were outstanding. Bruce did a great job of communicating before and during the conference. Whoever was in charge of weather also did a great job. I am usually a positive but pragmatic person. I went to Birmingham last year. Both conferences were great. If I had a complaint I would share it. I have none.  Ken Best, Baton Rouge	Mar 2, 2011 4:22 PM
28	A terrific conference, and thank you for all you did to make it a success. Well done.	Mar 2, 2011 6:51 PM
29	Very well done! It is the best one I've attended. Thanks!	Mar 3, 2011 6:37 AM
30	Putting on one of these events takes a great deal of planning and coordination. San Diego should be proud of the results. You did a terrific job!	Mar 3, 2011 7:18 AM
31	San Diego Rotary--you did a great job! Thank you. You are a fabulous group of people. I wish I had a chance to get to know each person I met! You are stars!  Going forward, I would suggest that the host club not host three evening events. This a lot and is more than we really need. A little on our own time could be good.  I feel very strongly that we should have RI director presence. We are the large clubs. We should be leaders in creating our own relationships with RI. The idea that PETs is sufficient for our PEs and the EDs is outdated thinking. It is up to us to enhance the relationship with RI. It has to start somewhere and it should start with us.  Thanks again.	Mar 3, 2011 1:42 PM
32	Thank you! Excellent job. You set the bar high for the future.	Mar 3, 2011 9:15 PM
33	Overall, it was a great conference and the weather was wonderful...great to get away from East coast winter/snow/ice. Beautiful location of hotel and easy access for sightseeing. 35	Fabulous Job to Bruce and his staff and all the San Diego Rotary members who put on a great conference!	Mar 7, 2011 9:56 AM
36	I am glad that I attended and will encourage our Executive Administrator and president elect to attend next year	Mar 7, 2011 1:45 PM
37	Overall it was one of the best I've attended. The abundance of breakout sessions really gave us an opportunity to hear what other clubs are doing and share ideas. I think that is the purpose of the conference. We don't need any motivational speakers at sessions. I also really appreciate not receiving all those gifts we received in previous years. It's very nice of the club but it's an unnecessary expense. The gift bag of snacks was perfect. Thank you all for a wonderful experience!	Mar 7, 2011 4:43 PM
38	Thank you!	Mar 10, 2011 10:55 AM
39	Thank you so much for hosting such a well-organized, thoughtful, productive conference, and putting it in a place that made it such a pleasure. I had high expectations of San Diego, and they were exceeded. You rock!	Mar 14, 2011 10:33 PM
